FOREWORD	7
I.INTRODUCTORY REMARKS	9
1. Purpose of the Study	9
1.1. Kartographic aspects	9
1.2. Methods of study	10
II. GEOGRAPHICAL POSITION OF MARIOVO AND RAECHKA VALLEY	12
1.Limits, size and geographical position of Mariovo and Raechka valley.....	12
III. PHYSICAL GEOGRAPHICAL FEATURES OF MARIOVO AND RAECHKAVALLEY	18
1. Geological structure and tectonics	18
a) Cartographic aspects	21
2. Relief structure	24
a) Cartographic aspects	27
3. Climate in Mariovo and Raechka valley	29
3.1 . Climatic elements	29
3.1.1. Temperature air	30
a) Average monthly and mean annual temperatures	30
b) Maximum, minimum and absolute maximum and minimum air temperatures	32
c) Vegetation period.....	35
d) Cartographic aspects	36
3.2. Relative humidity	38
3.3. Wind direction, frequency, wind speed and types	38
a) Cartographic aspects	39
3.4.Cloud.....	41
3.5. Rainfall	41
a) Average monthly and average annual amount of precipitation	41
b) Cartographic aspects	45
3.5.1. Other types of precipitation and appear	47
a) Rain	47
b) Snow	47
c) Fog	48
3.6. Hydrography in Mariovo and Raechka Valley	48
a) Sources, water bunari.cheshmi disperse mikroakumulaci channels	49
b) Rivers: density and flow of rivers in Mariovo and Raechka valley.....	54
c) The economic importance of water for irrigation, water supply,hydropower, sports and recreation	58
d) Cartographic aspects	59
3.7. Types of soils and their distribution	61
a) Cartographic aspects	63
3.8. Flora and fauna	65
a) Cartographic aspects	70
3.9. Phenological characteristics	72
a) Cartographic aspects	74

IV. POPULATION AND HOUSEHOLDS IN MARIOVO AND RAECHKA VALLEY	76
1. Demographic structure of the population	76
1.1. Population dynamics of settlements in Mariovo and Raechka valley in the period from 1961-2003 year	77
a) Cartographic aspects	79
1.1.2. Age structure of the population in Mariovo and Raechka valley in the period 1961 - 2000	81
a) Cartographic aspects	81
1.1.3. Age structure of the population by age groups 0-19, 20-59 and over 60 years in Mariovo and Raechka valley between the 1961-2000 year	83
a) Cartographic aspects	83
1.1.4. Components of the natural movement	85
a) Cartographic aspects	87
1.1.5. Population more than 10 years old according to literacy and school preparation in the period from 1961-1994 year	91
a) Cartographic aspects	92
1.1.6. Migration of population in settlements in Mariovo and Raechka valley in the period 1961 -2002.	94
a) Cartographic aspects	95
1.1.7. Persons temporarily working abroad in the period 1981 In 2003.	97
a) Cartographic aspects	97
1.1. 8. National structure of the population in settlements in Mariovo and Raechka valley in the period 1961-2002 year	99
a) Cartographic aspects	99
1.1.9. Population by marital status in neighborhoods in Mariovo and Raechka valley in the period 1961-2002	101
a) Cartographic aspects	102
1.1.10. Population by activity in neighborhoods in Mariovo and Raechka valley in the period 1971-2002 year.	104
a) Cartographic aspects	105
1.1.11. Structure of the active population by activity in neighborhoods in Mariovo and Raechka valley in the period 1961-2002 year.	107
a) Cartographic aspects	107
1.1.12. Active, agricultural, non-agricultural population, people with ID. income and dependent population by settlements in Mariovo and Raechkavalley in the period 1961-2002 / 2003	109
a) Cartographic aspects	110
1.2. Numerically movement of households in neighborhoods in Mariovo and Raechka valley in the period 1961 – 2002 year.	112
a) Cartographic aspects	113
V. NEIGHBORHOODS IN MARIOVO AND RAECHKA VALLEY	115
1. Municipal centers and their function	115
1.1. Altitude settlements	115
a) Cartographic aspects	116
1.1.1. Size of village dummy after neighborhoods in MARIOVO).	118

a) Cartographic aspects	118
1.1.2. Population density in neighborhoods in Mariovo and Raechka valley in the 1961 period 2002 year..	120
a) Cartographic aspects	121
b) Population density of groups and number of inhabitants of 1km ² in neighborhoods.....	123
c) Cartographic aspects	123
1.1.3. Size of villages according to the number of residents in groups in 2002 ...	125
a) Cartographic aspects	126
1.1.4. Distribution of institutional infrastruktura and facilities for settlements in 2003 year	128
a) Cartographic aspects	128
1.1.5. Distance villages from municipal centers: Prilep, Bitola, Vitoliste Staravina	130
a) Cartographic aspects	131
VI. COMMERCE - GEOGRAPHICAL FEATURES OF MARIOVO AND RAECHKA VALLEY	134
1. Agriculture.....	135
1.1. Structure of the Land Trust	135
a) Cartographic aspects	136
1.2. Agricultural machinery in the period from 1961 - 2002/2003.	140
a) Cartographic aspects	140
1.3. Structure of field crops and their representation in the period 1953-2002/2003 year	142
a) Cereals	142
b) Cartographic aspects	143
c) Industrial crops	145
d) Mapping aspects	146
e) Vegetables	148
f) Cartographic aspects	148
a) Fruit and Viticulture	149
h) Cartographic aspects	151
1.4. Livestock and livestock structure period 1969-2002/2003 year	153
a) Cartographic aspects	158
1.5. Forestry and structure of forest areas	160
a) Description of the crop according to the form of cultivation in SHSE.....	161
b) Composition of the crop (pure and mixed) after SH.S.E.	161
c) Clean visokostebleni and coppice plantations and participation by types wood SHSE...	162
d) Structure of the forest areas in opshestveniot private sector settlements in the period from 1981 1999 year.....	163
e) Cartographic aspects	163
1.6. Hunting and Fishing	165
a) Hunting and hunting areas for big and small game	165
b) Growth and population dynamics increase game under protection between 1998 2010godina	166
c) Annually shot game under protection and without protection in 2001 after hunting	167

d) Cartographic aspects	168
1.6.1. Fishing, fishing aquaculture facilities and fish species in Mariovo Raechka.....	170
a) Cartographic aspects	171
1.7. Mineral the treasure: metali.nemetali and construction materials in Mariovo and Raechka.....	173
a) Cartographic aspects	178
VII. TRAFFIC AND TRADE IN MARIOVO AND RAECHKA VALLEY	180
1.Types of roads under ground, their length and distance to settlements	180
a) Means of transport, transport and basic traffic problems in Mariovo and Raechka valley.....	183
b) Cartographic aspects	184
VIII. TOURISM IN MARIOVO AND RAECHKA VALLEY.....	186
1. Conditions and factors for development of tourism	186
a) Natural factors	186
b) Social factors	188
c) Cartographic aspects	193
IX. FURTHER ECONOMIC DEVELOPMENT IN MARIOVO AND RAECHKA VALLEY.....	195
X. CONCLUSION.....	197
